

Dr. DORA PACHOVA has 15 years of experience in homeopathy as a doctor and as a homeopathic teacher. In 1993 she was one of the first people involved in bringing homeopathy back to Bulgaria after more than half century gap in its development. There was no information, no books, no teachers, no remedies. Since then homeopathy and its development and promotion in Bulgaria are main field of activity of Dr. Pachova. She not only works in her clinic every day with patients, but she also gives regular lectures in courses for basic and advanced study of homeopathy, edits books, organises national and international seminars. Since 1999 she is actively presents Bulgaria and Association of Homeopathic physicians in Bulgaria at International forums as National Vice president of LMHI for Bulgaria and as a member of Political and Educational Subcommittees of European Committee for Homeopathy.

She says: "I believe that Knowledge has a real healing power - I not only prescribe remedies, I always spend some time to explain my patients what is happening to them and why. Teaching patients and homeopathic students gives me real satisfaction. I share with them my knowledge in homeopathy, acupuncture and other holistic methods of healing."

Dr. Pachova graduated a German Language School - 1981 and as a Medical doctor, Medical Academy (Medical Institute "Ivan P. Pavlov", Plovdiv) - 1987 She studied Acupuncture, Iridology and many other alternative methods prior to Homeopathy. Dr. Pachova has a Master degree in Homeopathic Therapy and numerous diplomas and certificates in homeopathy. She studied with **Dr. Jacque Imberechts, George Vithoukas, Dr. George Tsantakis, Dr. Vangelis Zafiriou, Dr. Ajit Kulkarni, Dr. Farokh Master,, Dr. Will Taylor, Dr. Harry Van der See, Dr. Walter Glueck, Dr. Praful Vijayakar, Jeremy Sherr, Dr. Mahesh Gandhi, Dr. Pareek, etc.**

Dr. Pachova is director of Center for Health and Education "EDICTA". This centre is the leading one in spreading homeopathy in Bulgaria. CHE "EDICTA" organises basic and advanced studies in homeopathy, publishes books, organises International seminars. Her guests were George Vithoukas, Jacque Imberechts, Will Tylor, Ajit Kulkarni, Praful Vijayakar, Jeremy Sherr, Mahesh Gandhi, Anita Salunke, Praful Borkar, Vangelis Zafiriou, etc.

Dr. Pachova is communicating with her colleagues from all over the world in 4 languages: Bulgarian, English, German, Russian. She is giving lectures in Bulgarian and English. Many of the successful homeopaths in Bulgaria are her students. She gives lectures in the biggest Bulgarian towns and at the Homoeopathic Research Institute, Satara.

She has a lot of publications in national journals and newspapers. She is frequently invited in TV programs.

Dr. Pachova is cofounder and chairperson of Association of Homoeopathic Physicians in Bulgaria (AHPB)
